Macedon Ranges

MS Cycle Challenge

For those who love a great ride, the Macedon Ranges is home to Victoria's most picturesque townships, mountain ranges, and quality food and wine ... and it's less than an hour Northwest of Melbourne.

The Macedon Ranges MS Cycle Challenge will be on Labor Day Weekend, Sunday 9 March 2008 and take riders on a tour through some of the region's most interesting and picturesque roads. The route, of approx. 135 km on sealed roads will be of medium to hard level to suit riders with a good level of fitness.

Our major focus is to raise funds to help find a cure for Multiple Sclerosis, through the Rotarian Action Group for MS Awareness, which is linking MS research groups worldwide. 50% of profits will go to MS and the remainder to meaningful community and international service projects.
