21ST & 22ND MARCH 2009

9AM > 4PM

170 EDWARD ST,  
EAST BRUNSWICK.

**Donate your old bike to  
the Bicycles for Humanity  
Round-up!!**

WHY?

It'll change lives in Africa and make you feel good!

If you have an old bike in good or fixable condition we will ship it to Namibia to be used by those most in need of transport, such as HIV AIDS remote care workers. As well as distribute the bikes, our partner BEN Namibia will convert the shipping container into a bicycle workshop that provides training and employment for Namibians.
