Cyclist Safety Forum

Cyclist Crashes up 70% in last 5 years !!

Date:
Wednesday
30 November 2011

Time:
4:00pm to 6:00pm

Venue:
Richmond Town
Hall
333 Bridge Road

Expert Panel:

- Research
 - University
 - Hospital
 - Consulting
 - Advocacy groups
 - Road Authority
- (see over for details)

The current law requires a driver who is overtaking a vehicle (cycle) to:

- (the driver) pass the vehicle at a sufficient distance to avoid a collision with the vehicle or to obstruct the path of the vehicle.

The purpose of this Seminar is to tease out the safety and related issues with respect to Cyclist safety and confidence when being overtaken by motor vehicles.

ITE ANZ has invited presenters from various fields of expertise and advocacy to discuss aspects of the issues.

Get in Early! (Limited Seating)

Please confirm your attendance of this free seminar by registering by close of business

Tuesday 29th November 2011 at:

www.iteanznovember2011.eventbrite.com

Light refreshments will be provided.
