

# Detours in place for shared path works

Shared path is closed for upgrade works for one week from 22 April.

Cyclist and pedestrian access through the park will be restricted while Council carries out work to widen the shared path.

Please see the map below for suggested detours. These detours are expected to be in place for one week from **Monday 22 April**.

**Southbound** cyclists and pedestrians are advised to head west along Alexandra Parade, turn left into Young Street and then left again into Westgarth Street.

**Northbound** cyclists and pedestrians on Napier Street are advised to head west along Cecil Street from the park, turn right into Young Street and then right again at Alexandra Parade.

Council apologises for any inconvenience.
