Rushall Reserve Shared Path proposal

- Capital City Trail
- Merri Creek Trail
- ★ Two points the path would connect
- Exsiting Koonda Lat link
- ↔ Existing 'Goat Track' on VicTrack land

Yarra City Council invites community input on a proposal for a Shared Path through Rushall Reserve linking Rushall Train Station to the existing path at the end of Holden Street, North Fitzroy.

Council is exploring options for a shared path to provide an alternative route along the Merri Creek Trail/Capital City Trail which would avoid the pedestrian underpass and bridge at Rushall Station.

The goal of the community consultation is to examine options and determine an outcome that is acceptable to all Rushall Reserve users.

You are invited to participate in a workshop run over two sessions:

Session 1:

Tuesday 21 April 6.30pm– 9pm

Session 2:

Tuesday 28 April 6.30pm– 9pm

The workshop sessions will be held at the **Mark Street Hall, 1 Mark Street, North Fitzroy** and participants are requested to commit to both sessions. Refreshments will be provided.

Please RSVP your attendance by Tuesday 14 April.

For further information on the Community Workshop, to RSVP, or provide your ideas on this project, please email
